

OUR VISION

“and a vision appeared to Paul in the night..., and”prayed him, saying; come over into Macedonia, and help us”

(Act 16:9)

- 1) Presenting the gospel to a lost and dying world.
- 2) To build a spiritual home for believers; to worship, praise and glorify our Lord in one “big family”.
- 3) To supply relevant moral training and spiritual guidance for young people. The future of our children is vitally important to us.
- 4) To give opportunity to every believer for ministering according to the Lord’s calling: “Team-workers”.
- 5) To open a “Christian School”, based on biblical teaching, for the believers in Haifa.
- 6) To establish “Bethel Bible School”; to support the ministry in the Holy Land, by training young people in Bible study and other skills, and preparing them for ministry in their own churches.
- 7) Free supply of Holy Bibles and other Christian literature; to help in this endeavor.
